

23 February 2010

Dear Pastor or Church Leader:

How many of the faces at right can you identify?

What is the Emerging Church? How does it differ from the Emergent Church?

What is Emergent Village? The Emergent Frontier?

Why have evangelical leaders called emergent thinking "dangerous" as regards the future of essential Christian doctrines?

What's the story on Mark Driscoll?

How about Rob Bell and the popular NOOMA DVD series?

Why is any of this a big deal? How might it affect you and your church?

We invite you to invest four hours in educating yourself on such matters.

On April 24, from 1:00pm to 4:30pm. At First Evangelical Free Church in Westbrook, Maine — just minutes from the Portland Jetport.

Pastor and author **Bob DeWaay** from Minneapolis MN will be our keynote speaker. **Greg Selmon** from Grace Evangelical Seminary in Bangor, Rick Carver, AIIA's Associate Director, and Barbie DelCamp, a youth advisor from the host church, will join me in addressing this important subject.

There will be ample time for Q&As, discussion, and exchange. Light refreshments will be served. You can be on your way home by 5:00pm.

This is your invitation to join us. How many from your church can come? Please call by April 17 to pre-register your intent to attend.

There is no admission charge. An opportunity to contribute will be provided.

For Christ and His truth....
