Bruce and Heather are passionate about bringing the Bible to Bible-less people groups! They are part of a team committed to bringing hope to those in despair and equipping indigenous believers with the Word of God in their heart language.

Heather, basing out of Dallas, will train future Bible translators at GIAL and continue to serve translation teams in Mexico with their linguistic problems. Bruce, working on the International Linguistics Center, will work with various multicultural youth ministries. Both continue to work as a part of the greater Bible translation team.

However, they need more prayer and financial partners willing to join their Wycliffe team so that they can continue to serve in Dallas and Mexico. Please consider joining the team in some capacity!

First EFC of Maine has supported the Beals since 2000.
