Ann (daughter of Ken & Elsie Maxwell) grew up in Cape Elizabeth Me while Dale was born and raised in Japan where his parents served as missionaries. They met while studying at Trinity Evangelical Divinity School and were married 17 months later. They moved to Japan in 1984 to begin a church planting work in Owariasahi and in 1993 saw that church turned over to the leadership of a Japanese pastor. In 1999, they began ministering part time in a new church plant called Sunrise Chapel in Tokyo. Sunrise Chapel called its own Japanese pastor in July 2003. The Littles are starting a new phase of ministry where their goal is to come alongside Japanese pastors and churches that desire to plant churches and simultaneously partner with 2-3 of them on a part-time basis. Dale will be teaching theology at the Japan Bible Seminary and at Tokyo Christian University. He will also be teaching at a Bible institute to train laypeople. They request prayer for this country where only 0.05% of the population is evangelical Christians.

First EFC of Maine has supported the Littles since 1984.
