The Porter's ministry with CEF began in 1987 after Larry graduated from Word of Life Bible Institute. They continued to serve as local directors until 1992 when they made preparations to serve in Haiti. They ministered in Haiti from 1996-2004 when they had to leave due to political unrest. Upon their return to the USA, they served CEF at the World Headquarters. In 2006, they came to Maine to serve as the Southern Maine directors. They led in this capacity until 2014.

The Porters are now leading short term missions trips through CEF. In Larry's words: "We are taking the good news of the Gospel to children and discipling them in the Word of God for Christian living. But we are doing this through the avenue of Short-Term Mission trips. Why short-term missions? I'm glad that you ask. Short-term mission trips give young people the opportunity to get out of their comfort zone and experience the power of God working in and through them as they step out in faith to serve Him. Our goal is to take teams of *CYIA*™ers on two short-term mission trips per year. We plan to serve nationally and internationally".
